

HACK THE POLICE 4

hackthepolice.com

**Come at once if
convenient.**

**If inconvenient
come all the
same.**

Computacenter

100 Blackfriars

Developers, designers, data scientists, students, academics, criminologists, crime scientists and creative problem solvers...

Join serving detectives, police officers, and scene of crime investigators at Hack the Police 4, and build new tools to fight crime!

This year our theme is investigation, from crime scene to case file...
